

كيفية استخدام برنامج (Comic Life)

How to use comic life:

The screenshot shows the Comic Life software interface with the following labels:

- الصفحات** (Pages): Points to the left sidebar where pages are managed.
- أختيار الخط أو شكل الصفحة أو شكل الإطارات** (Choose font, page shape, or frame shape): Points to the top toolbar containing options for text, page layout, and frame styles.
- أدراج الشكل المطلوب** (Add the required shape): Points to the 'Page Templates' panel on the right, which offers various pre-designed page layouts.
- أدراج الصور** (Add photos): Points to the 'Photos' panel on the right, which displays a library of images for use in the comic.
- العنوان** (Title): Points to the 'TITLE' button in the bottom toolbar.
- المحادثة** (Dialogue): Points to the speech bubble icons in the bottom toolbar.

To save the story:

File -> Export -> Export to image
